

F_{irst} Division News

District 72 (New Zealand)

3rd September 2008

Welcome to Month 3 of the Toastmasters year.

What's Next?

Contests:

Clubs will now have completed their club Table Topics and Humorous Speech contests and selected their representatives for the Area Finals. Especially with the Humorous contest a good turn out of club members at the area final will help your finalists.

Contact your Area Governor for details of your area final.

Membership:

This month is dues renewal month and some clubs may have some members thinking about whether they will continue their membership. It may be that they have achieved what they wanted to when they joined. Then perhaps it is time to set new goals. These could be in the area of the advanced manuals and choosing Advanced manuals which will help them achieve those goals. Some clubs have a full library set of the Advanced manuals. If you don't there is a good summary of them available as a download from the NZ Toastmasters website under Speaking Resources / Resource Downloads.

Division Conference:

This is on Saturday 11th October 2008. 12:30 Registrations – 1:00 pm Start.
Further information will be out to clubs in the next two weeks.

On the morning of the Division F Conference there will be a club membership seminar (9:30 to 11:30 am) workshop (same venue). This will include a panel of past club officers who have been successful in building their club membership numbers.

District 72 Convention:

14-16 November in Dunedin. Highlights include the national finals of the Table Topics and Humorous Speech contests. Details are on the NZ Toastmasters website.

What have we achieved in Division F in the first two months?

New Club:

Welcome to **RDC Raconteurs** which submitted their charter documents last week.

Clubs in Formation:

"Academics"

this is based at Massey University Albany. Contact Annette Fenton DTM
asfenton@ihug.co.nz or 027 2904020

"ProFicient Speakers"

this is an Advanced Club which will cover the North Shore / Northland area. Their concept is to have one meeting per month – a lunch meeting on a Sunday – each month a different location. Members will be Dual members and should be CC or higher. A marvellous opportunity for members who have developed their skills to an advanced level. Contact: Michelle Selby DTM
michellejs@xtra.co.nz or 021 273 0888

Educational Outcomes:
