Our core values are Respect, Integrity, Service, Excellence, trust, honesty.

My principles are:

- An environment where all members feel safe, enabling members to work at their own pace.
- Encouraging all members to embrace Pathways.
- If any members are struggling to ask for help.

Obstacles to success are:

- Clubs who feel the Distinguished Club Program is a “tick the box exercise” when the aim of this is to show the strength of the clubs.
- Club officers who cannot see the value of Club Officer Training.

The goal for the Division is that all the Clubs achieve Distinguished Club Status by February 2020.

If there are any workshops the Division members feel are needed, please let me know. Maybe facilitate a workshop?

Helen Cartmell and Kath Cherrie have District workshops scheduled in the coming months. When we have the dates, you will be advised.

Now is the time to strengthen our clubs. With the changing times in the world environment, we need to focus and strengthen the clubs we have instead of creating new ones when we have so many clubs that need help.

For those clubs who have under 13 members, please engage a club coach. Contact me and I can arrange a club coach.

I have seen in my time many clubs chartering and within a couple of years closing.

Your limitation—it is only your imagination.
