

IMMEDIATE PAST DISTRICT 72 DIRECTOR REPORT

6th January 2020

Happy New Year to my fellow Toastmasters and District Leaders.

As District Leadership Committee Chair, I note that as of today's date I have received one Candidate Nomination from an eager Candidate. I look forward to receiving more over the next 2 weeks from other eager Applicants/Candidates for the 2020/2021 Toastmasters year.

Applicants can find the details on the website by using the following link: http://www.toastmasters.org.nz/member_resources/district_documents/dlc

A District Leadership Committee has been appointed with a representative from each Division, along with a member from outside the District to ensure there is an outside perspective. This has all been approved by the District Director, Diane Isherwood, as per the new Policy.

As this time, I have nothing further to report on, or that I am required to report on.

Good Luck to District 72 for the remainder of the 2019/2020 year.

Celina Templeman

District 72 Director 2018/2019
