D72 Public Relations Manager 2020-2021

Tian Qu

19 June 2020

Nice to meet you all! My name is Tian. I have been with Toastmasters for 7 years. I am grateful to be your Public Relations Manager D72 for 2020-21.

My duty is to carry the banner from the great work Kendall has done. Hopefully, as a tech-savvy millennial I can help our district and your club build an online presence.

I am an optometrist with a vision. Better Speakers, Better Leaders is our goal. My mission is to let the world know. This year, I will be focused on the members. I want the world to know our members' stories. I want the world to celebrate our members' journey. I want the world to hear stories about the humans of Toastmasters D72.

I want you to help me build the Toastmasters New Zealand online community. Facebook me, email me, call me, text me. Let me know you, personally.
