

IMMEDIATE PAST DISTRICT 72 DIRECTOR REPORT

11th June 2019

As I write this report it is nearing the end of my term as District 72 Director.

I have enjoyed this journey, and have seen some awesome growth in both the District and in individuals on the District Leadership Team.

Pathways adoption numbers are on the increase, and this has been because of the united work of the 2018/2019 District Leaders. Thanks goes to those who have been an integral part of this work. I am aware that there have been many within each Division who have been instrumental to many clubs successes in this area. Of special note, are Erin Daldry and Roberta Eykholt who both have contributed much to the success, by undertaking Zoom Webinars and workshops around the country, as well as in their own region.

Congratulations to each club who has been successful in attaining Distinguished status or greater. This is an achievement that those clubs can be proud of achieving. I do note that there are some clubs who have attained Presidents Distinguished, for another successive year. If you are a club that is struggling, I would suggest that you visit one of these clubs to see how they work to achieve such a continuous record.

The District is in good hands with District Director Diane Isherwood, at the helm. I believe that Diane's many years of District Leadership has set her up to lead District 72 in style. She has the values that Toastmasters cherish and I wish Diane and her team a wonderful year of growth and learnings.

Thank you to those wonderful people who have supported me on my journey, and for also doing their best for the District. I appreciate each minute of your person time that you sacrificed to assist District 72.

Good Luck to District 72 for the 2019/2020 year.
