Division Challenges, Issues & Solutions

Communication from District to Division to the top three in the clubs and down to club members has been strained. As Division Director I'll be visiting all the Division A clubs to spread the message of the value of the district distribution clubs as a vital tool of communication from District to member.

Clubs are excited but apprehensive about the roll out of pathways.

New Clubs Progress

New club application has been submitted for TechnoSpeak Advanced with a demonstration meeting in February.

Still looking into possibilities of new clubs in Central/West Auckland, and potentially a corporate club at TVNZ.

Division Events and other newsworthy items

Division A completed two CLT session this round. Looking forward to contest season with Area contests planned for March, and Division A conference planned for 7th April.
