

DISTRICT 72 DIVISION DIRECTOR'S REPORT TO THE DISTRICT EXECUTIVE

Division	H	Division Director	SCOTT MARTINS	Report date	25th January 2018
----------	----------	-------------------	----------------------	-------------	-------------------------------------

Division Goals for the year

To leave the division in no worse a shape than I found it.

Subsequent to last report Fidelity has chartered and the demise of Britomart confirmed. I have been informed of a corporate club in the process of formation which could be aligned to Division H. The addition of one net club will result in the Division being eligible for Distinguished status although I will have to revert to the “no worse a shape than I found it” goal if Morning Toast merges with a Division F Club.

Division Celebrations & Successes

Clubs organising their contests early

Pathways being embraced and Pathways guides being very pro-active in their role

Club Membership at a Glance (note that figures below will change after Month End reports are updated on 6th October)

12 or Fewer	13-15	16-19	20+
7 (a decrease of 7 from last report)	2 (a decrease of 1 from last report)	8 (no change from last report)	16 (an increase of ten from last report)

Division Challenges, Issues & Solutions

Supporting the clubs that have fewer than twelve members. There has been plenty of interest from potential coaches and I have been visiting these clubs myself.

Finding Successors to the current Division H team

The introduction of Pathways to the Clubs. One of my home club members has designed a tip sheet which is being reviewed and which could be another tool for pathways guides and area directors to give to the clubs after it has been amended by Toni.

Fine tuning CLT for the sessions on 17th and 20th February, in accordance with feedback from December CLT. This will be discussed at Division Council meeting on 30th of this month.

Concerns about District realignment from Te Papa, AUT and Orakei club members. I am awaiting emails regarding the same from these members although it is possible that they have made submissions themselves to District.

Morning Toast is contemplating a merge with the First Light Club. I have been told yesterday that it was deferred following an Executive meeting. I will visit them next month to support and offer advice.

New Clubs Progress

A corporate club in formation could conceivably be aligned to Division H. Neil will keep me advised on developments as they happen.

Division Events and other newsworthy items

Division H Conference on 21st April. CLTs on February 17th and 20th featuring discussion on Pathways and District Realignment.
