Division Challenges, Issues & Solutions

National Video Competition has been a major distraction. TI have confirmed conflicts of interest with the winning entry in the Educational section. We hope District leadership will show firm leadership.

Club Leader Training requires Club Officers to attend specific training for EACH role. We were unaware of this. As it turns out only two clubs are affected and presently being assisted through this.

Pathways training has been ok though some clubs still require assistance. A workshop is planned for May.

New Clubs Progress

Alphabet Athletic is working hard to charter.

Rolleston and New Brighton have been identified as potential areas for new clubs due to geographical and demographic reasons. Any members willing and able to create these clubs will be offered support.

Division Events and other newsworthy items

Small Club workshop went extremely well with learning for both attendees and facilitators.

Division Conference is being planned by Basil M, Jo R, Brian P and Shen M. Volunteers welcome to assist.
