Division Challenges, Issues & Solutions

As Mentioned in my previous report, The Gourmet Club Has voted to close, we are still looking to actively repurpose this Club

Due to the redundancies at the IRD it is possible up top and taxing will merge

Wellington Professional is down to 7 members (1 below a club in good standing, I have tasked Steve Preston to work with this club, will touch base with him soon

New Clubs Progress

- I have not had a recent update with the Collider toastmasters and their progress, last I heard they were close to Chartering
- NZTA Demonstration was a huge success, charter docs have been submitted

Division Events and other newsworthy items

More to Come throughout toastmasters year
