Division Goals for the year

Ensure every action required for either Toastmasters International or District (area reports, pathways training, club leadership training etc.) is completed in a timely fashion

To see at least the same number of clubs, become distinguished as last year

Division Celebrations & Successes

Every club in Division C achieved having at least eight members registered with Toastmasters International by 30th September. Our Division Contest was held on 30th September congratulations to our winners and best wishes go with them from the division. Congratulations to Gary Belworthy, Graeme Hunt and Kathryn Duncan for achieving the Triple Crown Award

Club Membership at a Glance

Less than 12	12-15	15-20	20+

	Wanaka	Lunchspeak	

*However, this is some-what of a best guess, based on combination of the figures from start of Toastmasters year and numbers currently renewed as I do not believe all current members have as yet been renewed.

Division Challenges, Issues & Solutions

With the training and implementation of pathways, this brings excitement and challenges. There are some members who are close to achieving their Distinguished Toastmaster Award, with their stumbling block being sponsoring/mentoring/coaching a club and we would like to offer clubs outside Division C our assistance with coaching – we are suggesting one person (actual) from the other division and one of our people (virtual) could solve issues in other divisions along with offering solutions to divisions such as ours. We are aware there may be people who may leave, due to pathways, however we are sure Pathways will bring in a whole new wave of people eager to learn.

New Clubs Progress

We have changed the day and time of Aspiring Leaders for the rest of 2017 to see if that brings in some more people. We are keen to keep it going – even if it just becomes an interest group rather than a chartered club, as we have covered many excellent and varied subjects.

Meeting set for Thursday 26th October in Balclutha

Division Events and other newsworthy items

Congratulations to Foveaux, this club has just celebrated 35 years
