Tagline

WHERE LEADERS ARE MADE

The tagline helps to convey our mission, our purpose.

Core Values

Integrity | Respect | Service | Excellence

These unwavering values are at the core of Toastmasters and stand behind every decision. They provide a means of guiding and evaluating existing operations, near-term planning, and our vision for the future.

Brand Promise

Empowering individuals through personal and professional development.

Our promise encompasses all aspects of growth for members.

Brand Platform

Personality

Our personality reflects how the organization interacts with audiences at every touch point, such as through internal communication, external media, social posts, and more. While adjustments should be made to reflect each culture, each language, and each medium, our brand personality is universal—with strong elements of leadership, dedication, and empowerment.

Voice and Tone

Our voice is one of confidence and compassion. It is clear, yet respectful; it is friendly, yet professional. Our tone is positive, upbeat, and enthusiastic. It is serious when necessary. It is open to exchange.

Voice and Tone

All branded communication helps strengthen our relationship with our target audience. The Toastmasters International brand is a singular identity that should always reflect the core attributes of our organization's personality (**see page 5**).

Perhaps the most important aspect of branded communication is voice and tone—or how we sound when we speak to our audience. The correct voice and tone allow us to better connect with our audience and reinforce our brand identity.

So, before you begin writing, take a moment to understand the context of your communication and the mindset of your target audience. This will help you arrive at the appropriate word choice to create engaging communication pieces that resonate.

Simple Headline Here

There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable. If you are going to use a passage of Lorem Ipsum, you need to be sure there isn't anything embarrassing hidden in the middle of text. All the Lorem Ipsum generators on the Internet tend to repeat predefined chunks as necessary, making this the first true generator on the Internet. It uses a dictionary of over 200 Latin words, combined with a handful of model sentence structures, to generate Lorem Ipsum which looks reasonable. The generated Lorem Ipsum is therefore always free from repetition, injected humour, or non-characteristic words etc.

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old.

FAQ

FAQ

FAQ

Can clubs and Districts create their own logo, theme, and/or tagline?

Unfortunately, no. We understand each club and each District are unique; however, individual logos and mottos create a lot of confusion and dilute the power of the brand. We strive to provide our members with a consistent experience across 143 countries, so it is vital that our brand is instantly recognizable. If all clubs created their own logo, there would be 16,800 of them, instead of one strong, unifying logo. Clubs, Areas, Divisions, Districts, and regions should all use the Toastmasters International logo, the official tagline, and the brand elements.

If I remove the logo from my materials, can I use different colors, fonts, and/or elements?

No, as all Toastmasters materials must follow the guidelines specified in this Brand Manual. Even if a specific piece does not require the logo, the other guidelines for fonts, colors, photography style, etc. still apply and must be followed.

Can our District create a logo/theme for the District Conference?

Yes, this is the sole exception to the logo and theme rule. Districts are welcome to create a “look and feel” for their annual conference, with a theme or tagline that is a strong call to action and engages members. Please refer to the **District Conference page** of this Brand Manual for more details explaining how to do this in a brand-compliant way.

Regarding colors, is True Maroon designated for Districts and Loyal Blue designated for clubs?

We used to have this distinction in the past. Since the introduction of the new banners and business cards, this is no longer applicable. While World Headquarters may use the colors to identify some materials, such as the Leader Letter, clubs and Districts are welcome to use the color of their preference.

Can I create or produce name badges, ribbons, club banners, or pins locally?

Name badges, ribbons, and pins may not be produced locally in any form. Local production of club banners is permitted, but only if the production makes use of a digital banner design purchased through the Toastmasters online store. This ensures not only brand standards of quality and compliance, but also the consistency of awards, achievements, and recognition items.

Clubs and Districts are welcome to develop other items, such as gifts, plaques, patches, etc. to recognize their members and milestones. Please make sure you get your design approved through a **Trademark Use Request** before it's produced or purchased.

FAQ

Contact Us

- If you have any questions regarding this Brand Manual, the Toastmasters brand, or the development of materials, please contact the Brand Team at **brand@toastmasters.org**.
- If you have questions regarding trademarks and copyrights, please contact the Trademarks Team at **trademarks@toastmasters.org**.
- To submit a Trademark Use Request, please go to **www.toastmasters.org/TrademarkUseRequest**.

Can the Toastmasters International emblem be used in promotional materials?

The emblem, which used to be the organization's logo until 2011, should only be used in an historical context by clubs, Divisions, Areas, Districts, and regions. Using just the emblem or both logos in promotional materials is confusing and dilutes the power of the brand.

World Headquarters uses the emblem in select materials to honor the Toastmasters legacy and preserve its trademark.

Can my club still use the old club banner?

The old banner [the yellow one with the Toastmasters International emblem] should only be used in a historical context. It may be kept at club meetings and events if the new one is present and occupying a more prominent place. The current banner has been in place for 10 years, so we strongly encourage clubs to replace the old one.

How do I know if I need a Trademark Use Request?

You can use the **chart on page 24** to know if you need to obtain authorization from the Trademarks Team or if you can simply follow the Brand Manual to produce your materials. As a general rule, most paper materials, other than certificates, do not need to submit a Trademark Use Request. Other items, such as apparel, accessories, banners, gifts, stickers, etc. will require you to go through the trademark process.
