

# Division D Director Report

5 April 2021

Wow, this has been an amazing year and I am incredibly proud of the things we have accomplished. Thank you to all those who stepped outside their comfort zones and contributed. Whether it was running a workshop or helping with a contest, these small incremental efforts have added up to big results.

Here are some of the things we have achieved so far between Divisions D and E:

- 7 online workshops
- 18 online area contest events
- 3 online division contest events
- Christmas Quiz Night
- online club officer training
- Lake Rotoiti Leadership Weekend
- 9 monthly division newsletters
- grown our local Facebook group from 244 to 368 members
- planning another leadership weekend in Hanmer

Most of these events have been well attended and I appreciate all the positive feedback that came through after each one. If you found them worthwhile, the only thing I ask is that you pay it forward and consider how you can create similar experiences for others.

With all that being said, this has also been a challenging year for Division D. Three clubs have closed (ACE, Shoreline and Leadership Academy) and our membership is 8% less than this time last year. We also have several clubs below 12 members or likely to fall below 12 in the near future. For this reason, we desperately need people who can take on the Club Coach role and I would love to know if anyone is interested.

I would strongly encourage others to consider giving the Division Director role a go. For me personally, this has been a great way to meet new people and build confidence. Of course, I have been extremely lucky to have Lisa Wheeler as Division E Director. Lisa has always been supportive and encouraging of my crazy ideas and has been a huge driving force behind the things we have achieved.

Overall, despite being slightly unsure about this role in the beginning, I am very glad that I gave it a go!
