

IMMEDIATE PAST DISTRICT 72 DIRECTOR REPORT

4th April 2020

As I write this report, many Toastmasters are in lockdown, along with the rest of the Country. My personal thanks goes out to those people who are still working for our essential services. Many new things are being trialled in the wake of the Covid-19 virus Epidemic sweeping the world, especially in the ways we can still stay connected.

One of these is that many Toastmaster members trialling the forum of online meetings for the first time, myself included. I found myself with a new kind of nervousness. This is a fun challenge to get over and I'm enjoying trying new things to make myself a better and more entertaining online speaker, as I hope many others are also doing.

As District Leadership Committee (DLC) Chair, the DLC report has now been completed, with it being the hands of the District Director by the due date. There are still some vacant roles which people can apply for via the Floor Candidate process.

The next part of my role is requesting of Floor Candidates nominations, and working on the questions for the Candidate Showcase which will be held prior to the District Council meeting. Date and time of this is yet to be confirmed and will be advised to the Candidates at least 1 week prior to the event. A reminder is that Floor Candidate Nominations should be made by a member of the District Council (ie, Club President or VP Education).

Good Luck to District 72 for the remainder of the 2019/2020 year.

May everyone stay safe and healthy.
