

Club Growth Director Report

10 June 2021

New Clubs and Club Growth

District 72 welcomes our newest club "Toast IT by Servian NZ"

We also have "Online Uncensored Comedians & Humorists" club in the process of chartering and we look forward to welcoming them also.

I acknowledge there are several people trying to complete the last tasks by 30th June 2021, to obtain their Distinguished Toastmaster Award and we wish them every success.

Marketing

Our Social Media presence is very strong and we look forward to continuing to promote the message.

We are in the process of getting pens out to all clubs and reprinting the visitors pack which we will get to the new division directors.
