

Division H Director Report

9 June 2021

With the realignment now confirmed at District Council Meeting, H will now be combined into one Division G from 01 July.

As the first and last Division H Director, I want to thank all that have helped in Division H in the various roles. Thank you to Mike Mckee and Kath Cherie (H Area Directors) for the support this year, very much a team effort! The clubs will off course continue, some in new Areas, whilst some just renamed as a G Area.

Working closely with Judy Love (Division G Director) and Mary Clarke (Division J Director) throughout the year has assisted and supported at times especially around busy contest season. It is something I do recommend to upcoming teams.

Good luck to incoming Division G Director, Anthony Fletcher and the team.
