

### Draft Realignment Proposal for G and J Divisions - Consultation with Clubs (version 1)

Currently Division G has seven Area's which makes the logistics and management of the division rather challenging. Division G is proposing to move two clubs, Karori Toastmasters Club & Wadestown from Area G5 to Division J.

The remaining two clubs in Area G5 would then move to G4 making G4 an area with six clubs, this would then mean Division G has six Area's which is far more manageable.

G1, G2, G3, G6 & G7 stay exactly as they are currently. G4 would be as shown below  
G5 would no longer exist

			Current Clubs in Areas	Proposed Clubs in Areas
72	G	4	409 Capital Club	Capital
72	G	4	1046 Wellington Club	Wellington
72	G	4	8398 Te Aro Toastmasters Club	Te Aro
72	G	4	650034 Mid City Toastmasters	Mid City

72	G	5	7827 Mount Victoria Toastmasters Club	
72	G	5	1394512 Wellington Professional Toastmasters	
72	G	5	5083988 Wadestown	Proposed move to J
72	G	5	7034958 Outspoken Toastmasters	SUSPENDED

Division J currently has five Areas.

If Karori Toastmasters Club & Wadestown clubs were able to continue to be in an Area together this would cause these clubs less trauma, however, to do that Division J is proposing it increases from five Area's to six.

J3, J4 & J5 would stay exactly the same as current.

Below table shows the proposed changes for J1, J2 and the resulting new area J6

Division J proposes that a new Area (J6) be set up which would include Ngaio and Newlands Clubs along with the 2 Clubs that move from Division G, giving the J6 Area 4 clubs. This is a logical geographical alignment and would decrease the clubs in J1 and J2 to 4 clubs each and would reduce the travel time and expense for Area Directors. See below.

This proposal is for discussion at District Executive Council and then if acceptable will then go to the clubs for consultation.

Final approval would go before the District Council Meeting in May
