Congratulations to the clubs who achieved Distinguished or greater in the Distinguished Club Program:

Presidents Distinguished:

- Boaters
- Christchurch
- Ashburton
- Liffey

Select Distinguished

- Aranui

Being a successful club means they achieve Education goals along with having Club Officers at the Club Officer Training twice each year. Well done on the work by all members within these 5 clubs.

I am aware that other clubs were trying hard to reach the Distinguished Goal, however, COVID tossed many clubs and their members a few curve balls. Well done on surviving the 2021/2022 year. Be proud of what has been achieved - you now have solid foundations on which to grow your club and its membership.

Good luck to all Clubs and remember, your Division Team is here to assist you.
