3. Prepared well for Division Conference. The Conference feedback was generally positive from people.
4. Completed the Club Officer Training Round 2.
5. Successful April Renewals.

Clubs

1. **Club Officer Training Round 2** - There are 29 clubs, 6 areas within this Division. Club officers from 13 clubs within this Division have attended and participated in Club Officer Training Round 2. All 7 officers went through COT Round 2 from Capital Chatterers and Cook Strait club.
2. **April Renewals** – Few clubs (Capital Club, Police Toastmasters and Toast Health) have indicated that they are planning on closing and therefore have not renewed.

Areas

3. **Area Director visit reports** - Area Directors have done an excellent job with the Area Director visit reports for Round 1. 100% Area Director Visit reports for Round 1 were completed by mid-November 2022. The Area Directors are working hard to complete all their Area Director visit reports for Round 2 by Mid -May 2023.
4. **Areas without Area Directors** (Areas G1, G4 and G6) – I have started organising club visits to complete Area Director Visit reports for Round 2 as soon as possible. I have already visited 8 clubs – 5 more to go from areas without AD.
