From our District Director

As my term as District Director draws to a close, I would like to thank all our district officers for the time and effort you have put into the role. Our goal was to help our clubs to thrive. With your support and guidance, many of our clubs are indeed thriving. There is still work to do - I know we can let the incoming team take up the mantle.

Be proud of the work you have done. Please, take the opportunity to give your replacement any advice and support you can.

Thank you
Kathryn Duncan

We are sharing their message with you.

Service Delay Update

We are reaching out to address recent service delays and disruptions. We understand the frustrations these issues have caused and sincerely appreciate your understanding as we work diligently to resolve them and fulfill your requests.

Here are the most effective ways to ensure that your transactions/requests are processed as quickly as possible:

- Only send inquiries and submissions to a single team/email address to streamline the process
- Avoid following up or requesting status updates on outstanding submissions
- Ensure all documentation is complete before submitting

Currently, the expected response and turnaround time when sending correspondence to the following emails may be up to 10 business days:

- Membership@toastmasters.org
- Renewals@toastmasters.org
- Newclubs@toastmasters.org
- Educationprogram@toastmasters.org
- Clubofficers@toastmasters.org
- Supplyorders@toastmasters.org

We understand this is a significant request, and we sincerely thank you for your cooperation in helping the teams at World Headquarters process items as efficiently as possible.

Thank you for your ongoing support and dedication.
