Introduction

Toastmasters' International governing documents

District 72 is governed by the Articles of Incorporation and Bylaws of Toastmasters International, the District Administration Bylaws and Toastmasters International Policies and Protocols, which are common to all Districts.

No procedure of District 72 may conflict with these governing documents.

District D72 Procedures

District 72 Procedures provide guidance where Toastmasters International policies or procedures are silent or vague. This defines District 72 traditions and unique aspects of our district culture. Details related to awards, trophies and other district traditions provide historical context and help preserve the richness of District 72 culture.

There are two levels of procedure:

District 72 Procedures Part 1 Administrative

These are procedures and practices which do not directly affect clubs and cover matters normally dealt with by the District Executive Committee. These procedures are approved by the District Executive.

District 72 Procedures Part 2 Operating

These are procedures and practices which directly affect clubs. These procedures are approved by the District Council.

Where applicable, references to the *District Administrative Bylaws (DAB)* and *Toastmasters International Policies and Protocols (TIPP)* are shown to the right of headings.

Any question as to whether a matter should be covered in District Procedures, is determined by the District Director in consultation with the District 72 Parliamentarian, unless overturned by a simple majority vote at the District Council.

Unless stated otherwise, all procedures take immediate effect from the close of the meeting at which they were approved.

Officer responsibilities

Members of the District Council are encouraged to review District 72 Procedures together with the source governing documents.

All Toastmasters International governing documents listed above can be found at the Toastmasters International website under Leadership Central / Governing Documents.

Responsible: Program Quality Director. The PQD arranges the ceremony and introduces each recipient. The District Director makes the presentation.

May: TI Presidential Citation

When a member of District 72 receives a Toastmasters International Presidential Citation, suitable recognition of the recipient of this award, is appropriate by the senior representative of Toastmasters International (International Officer/Director, Regional Advisor or District Director) present at the District Conference.

The following four awards shall be presented at a function arranged by the outgoing District Director in conjunction with the incoming District Director

1. Terry Bellamy Trophy for the Outstanding Division Director of the Year

Immediate Past District Director's discretion having taken into account the Division Directors contribution to the District and the development of their Division.

2. Len Jury Trophy for the Outstanding Area Director of the Year

Each Immediate Past Division Director awards a Division Area Director of the year, and these become the finalists for the District award. (Note: the Division award criteria are a Division matter). In addition the past Program Quality Director and the past Club Growth Director may each nominate one finalist. Immediate Past District Director selects from list provided

3. Ken Haines Award for District Toastmaster of the year

This award recognises one member whose educational accomplishments, club service, dedication and enthusiasm are exceptional.

Entry Criteria:

- 1 A member must be nominated by another member, using the current TI District Outstanding Toastmaster of the Year form. This is available from the TI website.

- 2 Completed applications MUST BE with the outgoing District Director by 30th August
- 3 Candidates must be a financial member, of a Club in District 72, at the time of application and presentation.
- 4 Only achievements in District 72 for the Toastmasters year, beginning 1 July and ending 30 June will be considered. Achievements outside of this period will be disregarded.

- 6 Members who belong to multiple Clubs can combine their achievements (considered to be in the interest of District 72).
- 7 To avoid double credit only activities which do not count towards an educational award gained in that year may be counted.
- 8 Any Toastmaster who has received this award three times (consecutively or otherwise) is not eligible. They shall receive a permanent plaque which details the years in which the award was earned.

Up to five finalists are determined from the completed TI forms by the previous year's trio (DD, PQD and CGD). The Immediate Past District Director then selects the winner from the finalists.

4. Don Harden Memorial Trophy for the Most Outstanding Contribution to the Professionalism of Toastmasters in District 72

The current District Officer or District Field Officer who has made the most Outstanding Contribution to the Professionalism of Toastmasters in District 72 during the previous Toastmasters year.

District 72 ANZAC trophy for service as a District Director

As specified in Part 1. To be presented at the District Conference in the year of service (May).

Club Leadership Excellence Awards

Awarded to every club which has achieved Presidents Distinguished Club for the last three consecutive years. Sent to each club by post.

Distinguished Division Awards

As specified in Part 1

Jack Duffy Memorial Rose Bowl for Community Service

Award entries must be received by the Program Quality Director by 31 March. Award to be presented in the year of service (May).

- Criteria:
- The most outstanding contribution to the community and/or community activity or activities(s) raising the profile of Toastmasters by a Toastmasters club. While the number of times, a specific activity occurs is important, so is a range of different community based activities. Types of activity which may meet the criteria include (but are not limited to):
- Club presents a Youth Leadership programme
 - Club presents a Speechcraft course
 - A club member talks about Toastmasters either on TV or radio (excluding phoning talkbalk)
 - Members judge a school speech contest or school debate contest.

- A member presents a speech to a non-Toastmasters audience and Toastmasters is highlighted either by the speaker, or when they are being introduced.
- ☒ An outside event e.g. running a Local communication award, participating or chairing a public friendly debate, say with a Lions club, or a speaking engagement/activity as part of a local festival.

Note: Any of the activities listed above and any additional activities need to be supported with documentation showing that in fact the club has carried out the activity.

Questions to ask yourself when submitting your application

- 1 How has your club promoted Toastmasters in the community?
- 2 What community events has your club been involved in?
- 3 How has your club benefited your community?
- 4 How is your club regarded by your community?

May: Long Service Awards

Criteria: 25 years cumulative membership with Toastmasters International.

Note: If a recipient does not attend the Conference, then the award is presented by a Senior District Officer at the member's Division Conference, or in special cases (approved by the District Director) at the recipient's club.

May: District 72 Citations

Rationale: Whilst the District "Toastmaster of the Year" awards recognises achievement in the previous Toastmasters year (only), there is a need to recognise members who make an ongoing contribution to Toastmasters in New Zealand over several years. Some become familiar faces at District level, but some work away in the background at Area or Division level. This is the District 72 equivalent of the TI Presidential Citation.

The District 72 Citations are presented to deserving members of our organization each year to acknowledge outstanding Toastmasters who have made contributions to their Club/s Division and District 72, as well as the organization, usually over several years.

The number of District 72 Citations to be awarded each year are determined by the current trio (DD, PQM, CGD) having cognizance of this being a prestigious award to be sparingly given.

Past recipients of this award are ineligible.

Criteria: Nominations may be made by any current or past Club President or District Officer and must be received by the District Director by 31 March. The awards are determined by the current trio (DD, PQM, CGD), who separately vote as follows

- 5 points for the most deserving nominee
- 4 points for the next most deserving nominee
- 3 points for the next most deserving nominee
- 2 points for the next most deserving nominee and
- 1 point for the next most deserving nominee
