Subject: Expense Claim Policy for 2023-24

For travel claims, please refer to the **Travel Reimbursement Policy**.

EXPENSE CLAIM REIMBURSEMENT

- **Who can submit?** - District or Field Officers in the first instance. For exceptions, please contact the District Finance Manager.
- **Budget** - District Officers must obtain **preapproval** from the **District Director** to exceed budget. All Conference expenditure must be funded by Conference revenue. The PQD may apply for an operational float which must be preapproved by the District Director.
Failure to adhere to the budget may see you personally liable for the cost if you have not obtained preapproval.
- **Third parties** - the District *prefers* to pay Area, Division and District Conference expenses such as **venue hire** and trophy engraving **directly** to the vendor instead of reimbursing the claimant. Payments to third parties still require an expense claim to be completed and supporting documentation included.
- **Authorization** – All expenditure for **Area Directors** should be forwarded to their Division Director for authorization in the first instance.
All expenditure for **Division Directors** are sent to the District Director for authorization unless the claim is above \$450
All expenditure over \$450 including GST must be **preapproved** by the District Director AND the claim signed by the District Director and one other Trio member.
All Conference expense claims must be authorized by the **Conference Chair and PQD**
Authorizers are required to check the expense claim complies with policy, is completed correctly, all supporting **documentation is included**, the **math is correct** and **sign** the form.
The numbers on the expense claim form must match the supporting documentation. If you are unsure how to do this, please contact the District Finance Manager.
The form should then be passed on to the District Finance Manager to arrange payment.
- **Legibility** – all documentation must be **legible**.
Please ensure documentation can be **read clearly** when attached to your email. You might need to turn up the contrasts on your scanner to ensure all the documents scanned can be read.
- **Foreign currency** – claims for purchases in an alternate currency must include the credit card payment details unless paid with cash.

EXAMPLES

- 2. The claim has been signed by the Division Director*

Expenditure greater than \$450 including GST

If you are going to incur expenditure **over \$450**, you **must** have express approval from the District Director **before you incur the expense**.
